7. Informational Reports-Volunteers

Liaison Report

TE Part is working on the Capital Improvement Park Budget so any
ideas/suggestions the TB Board would like to put forward would be appreciated.

Kathy suggests that we develop a “board” that shows our accomplishments.
Examples provided.

Volunteers Comments

Volunteers agreed it is a good idea to post our good deeds.

8. Old Business

A suggestion has been made again when large hall restrooms are renovated for ADA it would be nice to also do one of the bathrooms in the TB kitchen. Discussion followed about suggestions from Park residents concerning “rain” coverage for donations but enough checking on donations is happening. We also believe that taking items on consignment is not a good idea. A bell that rings when our customers “donate up” at checkout would not be good for noise control. We would also not like a local TV station to visit unless it is TE Park related. Barb on vacation for next meeting. Ruth will attend the TE Board meeting.

9. New Business –

Motion by Barb to approve up to \$40,000 funds for use to renovate the large hall restrooms, 2nd by Mary. Discussion followed. Motion amended to \$35,000: approved 4/4

10. Adjournment
